Members of the Legislative Audit Committee
University of Northern Colorado
President Andrew Feinstein
Greeley, Colorado

We have performed the procedures enumerated below on the accompanying University of Northern Colorado (the University) Intercollegiate Athletics Department Statement of Revenues and Expenses (the Statement) as stipulated in the National Collegiate Athletic Association (the NCAA) Bylaw 3.2.4.17 for the year ended June 30, 2021. The University's management is responsible for the aforementioned Statement and related NCAA compliance requirements.

The Office of the State Auditor and University have agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of assisting the University in evaluating whether the Statement is in compliance with the NCAA Bylaw 3.2.4.17 for the year ended June 30, 2021. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report, and as such, users are responsible for determining whether the procedures are appropriate for their purposes.

The procedures and the associated findings are as follows:

General Procedures

1. *Agreement To General Ledger And Supporting Detail*

We obtained the Statement for the year ended June 30, 2021, as prepared by management. For all line items on the Statement greater than 4.0% (of either revenues or expenses), we recalculated the addition of the amounts on the Statement, compared amounts on the Statement to management's supporting documentation and compared the amounts on management's schedules to the general ledger and the audited financial statements of the University.

Findings:

No exceptions were found as a result of applying these procedures.

Independent Accountants' Report On Application
Of Agreed-Upon Procedures (*Continued*)

2. Comparison Of Actual To Budget

We compared Fiscal Year 2021 actual revenues and expenses to budgeted revenues and expenses. We obtained management's explanations for each revenue and expense account over 10.0% of each respective total that yielded variations over 10.0% when compared to the budgeted amount.

Findings:

Management explained that the annual detailed budget that is published by the University is formatted and established in a fashion that correlates to the audited financial statements. As such, a comparison on the level of the revenues and expenses reported in the Statement is not available.

3. Comparison Of Actual To Prior Year

We compared Fiscal Year 2021 actual revenues and expenses to prior-year revenues and expenses. We obtained management's explanations for each revenue and expense account over 10.0% of each respective total that yielded variations over 10.0% when compared to the prior year.

Findings:

There were no fluctuations in revenues or expenses that were greater than the above noted thresholds that could not be explained by management. Management has included a narrative of significant fluctuations in the notes to the Statement.

4. Sponsored Sports

We compared and agreed the sports sponsored reported in the NCAA Membership Financial Reporting System to the squad lists of the University.

Findings:

There were no exceptions noted in the procedures performed.

We confirmed that the countable sports reported by the institution meet the minimum requirements set forth in Bylaw 20.9.6.3 for the number of contests and the number of participants in each contest that are counted toward meeting the minimum contest requirement. We confirmed that the University has properly reported these sports as countable for revenue distribution purposes within the NCAA Membership Financial Reporting System.

Findings:

There were no exceptions noted in the procedures performed.

6. *Pell Grants*

a. We agreed the total number of Division I student-athletes who, during the academic year, received a Pell Grant award (e.g., Pell Grant recipients on Full Grant-in-Aid, Pell Grant recipients on Partial Grants-in-Aid and Pell Grant recipients with no Grants-in-Aid) and the total value of these Pell Grants reported in the NCAA Membership Financial Reporting System to a report, generated out of the institution's financial aid records, of all student-athlete Pell Grants.

Findings:

There were no exceptions noted in the procedures performed.

b. We compared current-year Pell Grants to prior-year reported totals per the Membership Financial Report submission. We inquired and documented an explanation of any variance greater than +/-20 grants.

Findings:

There were no exceptions noted in the procedures performed.

7. *Excess Transfers To Institution And Conference Realignment Expenses*

Findings:

No exceptions were found as a result of applying these procedures.

- b. We compared and agreed student athletic fees reported by the University to student enrollments during the current period and recalculated the totals. If the athletics department is reporting that an allocation of student fees should be countable as generated revenue, we recalculated the totals of their methodology for supporting that they are able to count each sport. We also tied the calculation to supporting documents such as seat manifests, ticket sales reports and student fee totals.

Findings:

The University does not charge a specific fee for athletics directly to the students (and thereby, does not consider it countable revenue), but rather allocates a portion of the total University-wide student fee to athletics and other activities as approved by the University's Board of Trustees on an annual basis.

Capital Assets

Athletics-related capital assets are recorded at cost at the date of acquisition or acquisition value at the date of donation if acquired by gift. The University's capitalization policy includes items with a value of \$10,000 or more and an estimated useful life greater than one year.

Depreciation is computed using the straight-line method over the estimated useful life of the asset, generally 40 years for buildings and improvements, 20 years for land improvements, 3 years for software, 10 years for library books and 3 - 10 years for equipment and vehicles.
