

Joint Budget Committee Staff

Memorandum

To: Members of the Joint Budget Committee
From: Andrew McLeer, JBC Staff (303-866-4959)
Date: Wednesday, March 19, 2025
Subject: [Proposed Footnote for the Water Quality Control Division in the Department of Public Health and Environment](#)

Per member request, staff has drafted the following proposed footnote:

“N Department of Public Health and Environment, Water Quality Control Division – It is the General Assembly’s intent that the Division collects and disseminates historical data collected over the last five years on pollution elements in total maximum daily load procedures.”
